Day 2 -This morning we'll hop on a trolley for a guided tour of Acadia National Park to the summit of Cadillac Mountain for breathtaking views of the Atlantic Ocean. Then it's on to Campobello Island and a visit to FDR's boyhood summer home where he was stricken with Polio.

The Loyalist City of St. John, New Brunswick is our destination for tonight. (Overnight St. John) **(Passport required for crossing US/Canadian border)**

Day 3 – Today's drive will take us through the picturesque Province of New Brunswick with a stop at "Magnetic Hill". Our journey continues over the 8-mile long Confederation Bridge to Canada's smallest province, Prince Edward Island. With 30% of the land cultivated, it has earned the nickname "Canada's Million Acre Farm". PEI is becoming as famous for cultured mussels as for potatoes and Lucy Maud Montgomery's heroine, Anne Shirley, of Green Gables. (2-nights PEI)

Day 4 – This morning we tour the island with our local guide stopping at "Anne of Green Gables". No visit to this idyllic island is complete without indulging in a local "Lobster Supper" complete with world famous island farm raised mussels called "PEI Blues". The highlight of our visit will be attending a performance of the "Anne of Green Gables Musical" at Confederation Centre of the Arts in Charlottetown (if available).

Day 5 - This morning we board a ferry for the 75-minute crossing to Nova Scotia and our destination of Cape Breton, the heart of Celtic Nova Scotia. Included is a visit to the Alexander Graham Bell Museum in Baddeck where you will learn about the life and work of this important inventor. (2 Nights Cape Breton)

Day 6 - The highlight of our time on Cape Breton is a full day scenic drive along the 184-mile Cabot Trail described as the "Big Sur of the East" for its ribbon of roadway that snakes along the rugged coast.

Day 7 - Today we leave behind the grandeur of the Highlands for the Capital City of Halifax. (2-Nights Halifax)

Day 8 - We begin today with a City Tour by a Local Guide. Your afternoon will be free to enjoy a leisurely lunch and browse the many shops along the waterfront or try your luck in Casino Halifax. In the late afternoon we will depart on a scenic coastal drive to the picturesque village of Peggy's Cove for a sunset dinner.

Day 9 – This morning we cross the Province to New Brunswick following the Bay of Fundy known to have the highest tides in the world, a record 53 feet! We'll visit Hopewell Rocks for a "walk on the ocean floor"! (Overnight Moncton, NB)

Day 10 – Have your documents ready to cross the border back to the USA and follow a route that will take us through beautiful coastal areas of Maine to the picturesque town of Camden, home of the famous Windjammer Fleet. Our journey continues to Kennebunkport to see the summer home of former President Bush on beautiful Walker's Point.
