Join us for this very special *Unicorn Anniversary Tour* to celebrate the holidays in a spectacular way with a visit to exquisite *Longwood Gardens at Christmastime*. Located near Philadelphia, the 1,077 acre country estate of industrialist, Pierre S DuPont, is transformed into a winter wonderland with over 500,000 twinkling outdoor lights.

Strolling carolers throughout the grounds entertain visitors with holiday songs. The Conservatory, reminiscent of Versailles, is the center of activity with poinsettias filling every space. The open air theatre features fountains with colorful lights dancing to holiday music.

After our guided tour, you'll be on your own to take in all the sights at your own pace. You'll want to take a break for a relaxing dinner in any of the several restaurants on site (dinner voucher included).

Before we leave the area, we'll tour another DuPont family home, *Numours*, the 77-room mansion designed by Alfred I DuPont in 1907 for his second wife, Alicia, and beautifully decorated for the holiday season.

The highlight of our holiday tour will be the reserved seats for the *Radio City Christmas Spectacular* with the world famous *Rockettes*. Before the show we'll be treated to a Back Stage Tour of the famous music hall with none other than a Rockette as our guide!

Also included is a *MYSTERY* activity for everyone to enjoy!!
