

Charles River Cruise

Cheesecake Factory Lunch
 Plus
Guided Tour of Massachusetts State House

September 4, 2019
 Wednesday

Join us for a relaxing Narrated Cruise on the Charles River that offers the best views of Boston and Cambridge followed by a scrumptious lunch at *The Cheesecake Factory Restaurant*. Select from a long list of entrees when seated including a slice of mouthwatering cheesecake that is the house specialty.

Before heading home, we'll have a guided tour of the historic *Massachusetts State House*, designed by our first American architect, Charles Bullfinch, and built on pasture land owned by John Hancock. The cornerstone was laid by Paul Revere on July 4, 1795 and was completed in 1798. This is a fascinating tour, not only for all citizens of our State, but for all Americans who treasure colonial history and the founding of our nation.
