Once again this year we’re heading to the popular Newport Playhouse for a delicious luncheon Buffet followed by a live 90-minute performance that always entertains!

The selection this time is "A Doublewide, Texas Christmas". It's Christmas time in the newest and tiniest town in Texas and it's beginning to look like trouble in Doublewide. Not only are the residents of the trailer park dealing with the stress of Christmas but they have just discovered that Doublewide has just been double-crossed by the county. This hilarious comedy will make your Christmas merry and bright

As if that isn't enough, after the show we return to our table for dessert and a live cabaret to bring our full afternoon of entertainment to a close.
