Once again this year we’re heading to the popular Newport Playhouse for a delicious luncheon Buffet followed by a live 90-minute performance that always entertains!

The selection this time is “*Saving Grace*”, a zany tale of a warmhearted girl who mistakes a telephone repairman for a burglar, tries to convert him from his life of crime, and ends up having to pretend he’s her husband, dismaying her strait laced sister’s evangelist fiancé. The plot makes for an hilarious afternoon of laughter.

As if that isn’t enough, after the show we return to our table for dessert and a live cabaret to bring our full afternoon of entertainment to a close.
