You've heard about it for years! Now see for yourself why *WaterFire* has helped revitalize the City of Providence, RI since it was first lit in 1994 to celebrate the city's 10th Anniversary of First Night.

Since then, over 12 million visitors have come at dusk to stroll the river's cobblestone walkways to enjoy the flicker of 97 wood burning braziers placed in the water on platforms that softly illuminate the waterway and its beautiful arched bridges. The party atmosphere is enhanced by live music from venues setup along the riverbank.

Before the evening event, you'll learn about Rhode Island's Capitol City during a 1-hour City Tour with a Local Guide. You'll have plenty of time for dinner (on own) before the festivities get underway.

There will be musical venues setup on either side of the river accessible by several bridges (The Blackstone River is narrower than the Merrimack so it is an easy walk from one side to the other).

Please Note: Our day is rain or shine to enjoy the Guided City Tour and dinner (on own). However, the Waterfire evening is subject to weather conditions and may be canceled last minute due to predicted or sustained heavy rain.
