Get ready for a fun experience “*Riding the Rails*” in your very own pedal powered “Rail Explorer”, a six passenger open air vehicle perfect for all ages and all peddling abilities. These custom built “go-carts” are easy for anyone to peddle because of little resistance on railroad tracks that run along beautiful Narragansett Bay in Portsmouth, RI.

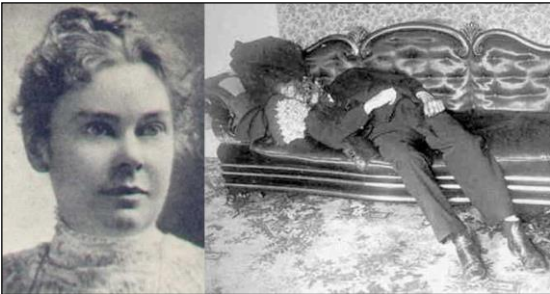

If your knees aren’t up to it, no worries, you won’t have to peddle and just go along for the ride with your fellow passengers providing all the power! Rail Explores has welcomed thousands of fun-loving riders since opening in June 2017.

This is a light rain or shine event – umbrellas are provided if light rain. Pack a lunch to eat either while on the bus or at picnic tables at the depot.

Before heading home, we’ll visit the Lizzy Borden House for a guided tour to learn the true story behind the school yard skipping-rope rhyme:

Lizzie Borden took an axe  
 And gave her mother forty whacks.  
 When she saw what she had done,  
 She gave her father forty-one.

Lizzie gained infamy after being tried and acquitted for the 1892 axe murders of her father and stepmother in Fall River, Massachusetts. The case was a cause célèbre throughout the United States. After the tour, you be the judge – was she innocent or guilty and got away with murder??
